

Logo Design

Creative branding and logo design

We believe a logo should be suitable for all the applications you need. First impressions count and your logo must stand out. We have created many logos some of which you can see below.

What will we do?

- Create 6 logos based on your brief
- No clip art or logo generators - only artwork generated by us!
- You then choose a logo and have up to 10 changes until your happy.
- Logo will be supplied to you in a range of formats and high rez.
- Suitable for web and Print

Prices from **£295**
