

## Milton Keynes Digital Awards

Milton Keynes Digital Awards]

The finalists of the first ever Milton Keynes Digital Awards have been announced following an 'outstanding' response from businesses and community organisations across the county.

**Entries flooded in for the event, which is the first scheme solely to recognise the online achievements of businesses, schools and charities from across Milton Keynes. A total of 11 open categories are being contested including 'Use of Social Media for Business?', 'Mobile App?' and the flagship 'Website?' accolade.**

**Narkedesign designed and hosts Milton Keynes Museums website which has been shortlisted for Best Website and Best Responsive Website, and yes we're chuffed!**

Gold, Silver and Bronze awards within each classification will be presented to deserving finalists at the Presentation Evening to be held at Cranfield University on December 3.
